Use this list of courses as a guide to help you select your classes in SchoolLinks. Each student must select one course from each of the required areas: **English, Math, Science, Social Studies and PE**. Students planning for 7th grade will select one elective course and students who qualify for **GT in ELA** will select two elective courses. Students may not receive their first choice elective due to insufficient enrollment in a course, scheduling conflict, or over enrollment in course. Final placement into courses is contingent upon campus approval. GT placement requires the student to have met specific Katy ISD screening criteria.

DIRECTIONS: CIRCLE one course from each of the required areas of **English, Math, Science, Social Studies and PE**. Mark required courses by circling the course number for the course. **IMPORTANT: List Fine Arts/Elective choices in order of preference.** Student and parent signatures confirm that all course guidelines have been reviewed and course selections have been made based on the student's individual strengths, interests and commitment.
